

Delivery & Logistic Services

Merkur Expo Logistics GmbH has been appointed the official forwarding agent and clearance agent for all Kenes congresses. We offer the following services: customs clearance, delivery to the booth, freight forwarding, manpower & trolleys for un-loading/loading during build-up and dismantling, storage of empty crates, transportation to and from the Exhibition Hall.

For security, insurance, and efficiency reasons, *Merkur Expo Logistics* is the sole official agent to handle cargo inside the venue. Booth builders are prohibited from using trolleys during set-up and dismantling periods.

Kindly note that *Merkur* the official agent is the exclusive agent for move in and move out of the venue.

Exhibitors and booth builders are free to deliver their goods or to pick their goods up from outside the venue. Those who use their own facilities up to the venue are requested to coordinate their time schedule and unloading of their cargo into the venue with *Merkur*.

COURIER DIRECT TO STAND, NOT A GOOD IDEA:

The exhibition hall is not a permanent warehouse and therefore courier deliveries will be refused, unless the shipment is delivered during the tenancy period and the customer is present at the booth, to receive the parcels from his transport company and sign off the delivery note.

We strongly recommend sending your courier to the warehouse delivery address. It has an additional cost but by doing so you make sure that your items arrive safely and on time to the event.

We can only allow FedEx, UPS, DHL Express and TNT clear on our name. Courier shipments (except envelopes) cannot be cleared automatically by the courier companies but do require a local importer of record. We will act as importer if required, by providing our VAT registration number to customs. This service is chargeable, please check in our tariff.

Please be sure to send us a pre-advice with the full details of the shipment: courier company, number of pieces and tracking number. Please be aware, that we highly recommend routing the shipment via our warehouse in Germany.

All courier shipment must be send DDP (Delivery duties paid) terms .

Shipments that arrive without pre alert and payment confirmation will not be accepted.
